

[February Batch] Civildaily Prime Test Series 2019

Note4Students

We have the most balanced time-table with almost no redundant books.

1. Current Affairs(CA) Tests are being tackled separately from the Subject Tests. This is to ensure that you are accurately able to judge your weaknesses.
2. CA Tests will be available next Month. Eg June CA Test will be available for attempt in July.
3. There is a gap of approximately 6-8 days between Subject Tests. Students are expected to prepare for CA Tests simultaneously.
4. There are cases where the gap between tests is longer. We plan to hold **All India Open Tests** during that time.
5. **Detailed Study-plan for major subjects will be made available to students before their tests start. Visit the website for further details.**
6. **A test once live will always be available in student's account. Student can solve basic test unlimited number of times and advanced level tests only once.**
